Gerak Saga Sdn. Bhd. (henceforth known as the Company) is committed to adhering to the Forest Stewardship Council (FSC) best practices on the use of fertilizer in all its operation;

1. The Company utilizes minimal quantities of fertilizers required in the plantation nursery and during planting operations to improve tree growth.
2. The Company will seek methods and practices that may reduce the quantity of fertilizers necessary to sustain profitable plantations.
3. The Company will document fertilizer use and provide the necessary training to workers to prevent misuse or injury.
4. The Company will regularly monitor run-off water quality to identify any undesirable effect caused by the use of fertilizers.
